I suggest you contact either Joe or Bruce Rodely directly for this information. The review on Mondt's application was scheduled to be completed in mid-September and may be delayed due to Exemption 6 and Exemptions 7(C) recently.

Hi Bruce,

We have received responses to Order from Mondt regarding the permit application. However, is their a list of required documents, so that we could respond back to him. Or could Dan or Joe, whoever is reviewing the permit application for Mondt have a conference call with us to discuss the information submitted.

Sincerely,

Cheryl Burdett
